Welcome

The XXII Applied Economics Meeting (*XXII Encuentro de Economía Aplicada*) will be held in Cartagena on June 6-7, 2019. This edition is organized by the Business Faculty of the Universidad Politécnica de Cartagena (UPCT), the Asociación Libre de Economía (ALdE), and The Research Group EMODs funded by Fundación Séneca, the R&D Office of the Region of Murcia, Spain. The Applied Economics Meeting, promoted by ALdE and the *Revista de Economía Aplicada* (REA), is conceived as a forum of encounters and dissemination of research findings of Spanish and International Researchers in Economics, helping to update academic and professional knowledge on the topic and serving to promote networking encounters among people.

This year's Opening Plenary Lecture will be given by Prof. Antonio Páez from *McMaster University, Canada*, while the Closing Plenary Lecture will be in charge of Dra. Paloma López-García from the *European Central Bank*. In preparing the parallel sessions, the Scientific Committee has had the opportunity to select among more than 140 papers submitted, covering all areas of Applied Economics. As in previous editions, the 2019 ALdE Prize for Young Researchers will be awarded during the Closing Gala Dinner to the best paper of authors being under 35 years old.

Last but not least, we also want to gratefully acknowledge the support of our sponsors, voluntaries and related staff for their hard work in making this event a fruitful one. Special thanks are due to the students and staff of the Business Faculty and UPCT, as well as our sponsors, including Banco de España, Colegio de Economistas de la Región de Murcia, the Chair of Energy Sustainability (University of Barcelona), Automenor, Ayuntamiento de Cartagena and Concejalía de Turismo, Berbois, Banco Sabadell, Confederación Comarcal de Organizaciones Empresariales de Cartagena (COEC) y Cámara de Comercio de Cartagena.

On behalf of all the members of the Scientific and Organizing Committees, we wish you all an intellectually challenging and enjoyable time at the City of Cartagena along this XXII Applied Economics Meeting!,

Mariam Camarero, *Head of the Scientific Committee*

Manuel Ruiz and Andres Artal-Tur, *Heads of the Organizing Committee*
